

# Precision. Innovation. Diversification.

**Leveraging our expertise to engineer the best solutions**

Annual Report 2023-24

# Precision. Innovation. Diversification.

## Leveraging Our Expertise To Engineer The Best Solutions

A strong focus on manufacturing excellence and precision engineering continues to steer our way forward. Our emphasis on meeting the evolving demands of diverse industries has enabled us to consistently improve our product range, diversify into new verticals and fulfil the need for supplying world-class products.

Over the years, we have earned a reputation as a leading stainless steel washer manufacturer and supplier. Resting on our backward integration capabilities, we have developed the ability to manufacture different types of products in accordance with international quality parameters. Our precision engineering capability has further improved our acceptance among industries as diverse as railways and marine to defence and aerospace. Moreover, our constant investment in R&D has enabled us to offer advanced and innovative solutions that not only fulfil customer expectations but empower us to explore new growth trajectories.

Looking ahead, we seek to create a differentiated position for Ratnaveer Precision Engineering Limited and carve a niche as a preferred business partner for our clients. Carrying forward our legacy of engineering excellence, we are now primed to strengthen the foundation of a sustainable business.

## Contents

Our expansion into new geographical markets, coupled with our investment in technological advancements, has amplified our potential to meet the burgeoning demand for industrial fasteners across diverse sectors, including automotive, construction, and aerospace. Through our commitment to innovation, we continue to unlock new avenues of growth and performance improvement.

# Introducing Ratnaveer

Since our inception in 2002, we, at Ratnaveer Precision Engineering Limited (Ratnaveer), have emerged as one of India's largest stainless steel washer manufacturers and suppliers. Over the years, we have established a track record of delivering quality offerings.

Our production capacity stands at 30,000 MTPA. We are among the few companies to operate an in-house backward integrated and forward integrated manufacturing facility. This makes our production process independent and enables us to manufacture products of any size at any time; thereby enhancing our efficiency.

We produce over 2,500 SKUs of washers that conform to international quality standards. Our diverse product portfolio comprising stainless-steel finishing sheets, washers, solar mounting hooks and tubes and pipes find wide

application across various industries, including automotive, solar power, wind energy, power plants, oil and gas and pharmaceuticals, among others.

Established in 2002, in Gujarat, India, we are a B2B manufacturer. Our geographic footprint extends to the Northern and Western regions of India. Globally we have established a presence across various regions in Europe including Germany, Spain, Netherland and the United Kingdom. Our strengths include offering integrated facilities to meet diverse customer needs.

Our dedication to quality and excellence have earned us several accolades. We have been consistently recognised as the Star Performer by Engineering Export Promotion Council since FY 19 till FY 24. Ratnaveer is Government Recognized ★★ Star Export House. We have also achieved the ISO 9001 certification that guarantees top-tier quality and ISO 14001 certification that highlights our commitment to sustainability. Additionally, the OHSAS 18001 certification showcases our commitment to ensuring a safe working environment for our personnel.

## Vision

Ratnaveer Precision Engineering Limited aspires to be the most respected, truly Indian Multinational Organization and the most preferred business partner in the entire globe.

# Our Core Values

## Our Presence

Exports Imports

## Milestones In Our Journey

### 2002

The Company incorporated and started producing SS washers from Unit-I

### 2010

The production of finishing line sheets began at Unit I

### 2016

The Company acquired the Unit-II on a sub-lease basis for the production of SS Tubes and Pipes

### 2021

The Company crossed the annual turnover of ₹ 350 crore

### 2023

Ratnaveer Precision Engineering became the first company to make a T+3 listing on NSE. The Company's IPO got subscribed 93.99 times.

### 2009

It commenced operations from the melting unit (Unit-III) at Waghodia, Vadodara

### 2013

The Company crossed the annual turnover of ₹ 200 crore

### 2017

The production of SS tubes and pipes began at Unit-II

### 2022

It achieved over 50% growth in its export turnover compared to the export turnover recorded in FY 2021

# Attributes That Set Us Apart

## Backward Integrated Model

At Ratnaveer, we have incorporated backward integration into our operations, which entails that the waste generated from manufacturing the products is converted back into raw materials and utilised in the manufacturing process. This way the waste is reduced, raw materials are generated in-house and the return on investment is maximised.

## Forward Integration

Our forward integration process is fully operational. In our tubes and pipes division we are utilising channels to bring products directly to the end-users and providing quality products at competitive prices. This ensures that we have a larger control of the production process and also positions us well by optimising our profitability.

## Wide Product Portfolio and Multiple Designs

Our diverse product portfolio consisting of SS washers, SS finishing sheets, SS solar roofing hooks, SS tubes and pipes has enabled us to penetrate the stainless-steel products market and cater to changing customer demands.

## Strong R&D Capabilities

Tools and moulds for our products are developed in an in-house R&D facility. Our investments in R&D helps us enhance our existing offerings, introduce new products and reach more customers.

## Robust Quality Control

We have stringent quality controls in place spanning the entire product life cycle, from the procurement of raw materials to the production of finished goods.

## Strategies In Play

### Diversified Customer Base

Our global clientele is spread across 31 countries worldwide reducing our reliance on any specific customer. We have mitigated potential customer- and sector-specific risks by establishing a domestic and international customer base.

### Product Development

Our management team consistently engages in the process of identifying and creating new products and designs. We firmly believe that there is a high demand in global markets for distinctive designs, high quality, and competitively priced products. Our current offerings include more than 2,500 SKUs of SS washers and we intend to add High Margin value addition circlips in our washer segment for which the company has already planned phase wise capex.

### Technology and Automation

We continuously upgrade our production technology to reduce human error, produce high quality products and improve customer service. Although investments in technological infrastructure are expensive, enhanced operational efficiencies and achieving economies of scale makes the process cost-effective in the long run.

# Financial Snapshot

# Managing Director's Message

At Ratnaveer Precision Engineering Limited, we have characterised our response with agility and resilience. We have successfully navigated these complexities by reinforcing our supply chain and enhancing our operational efficiencies. Our team has diligently worked together, driven by our long-term objectives, emerging stronger and more cohesive. Our efforts towards responsible corporate conduct focus not only on environmental sustainability but also on creating a diverse and inclusive workplace and engaging in comprehensive community development initiatives.

**Mr. Vijay R Sanghvi**  
 Managing Director

## Dear Shareholders,

I am both honoured and excited to address you as we share the remarkable journey of Ratnaveer Precision Engineering Limited over the past fiscal year. Following our successful initial public offering (IPO) and subsequent listing on the stock exchanges in FY 2024, we proudly present our inaugural Annual Report, which embodies a year of transformative growth, innovation, and unwavering commitment to excellence. Your belief in our vision and confidence in our capabilities have been instrumental in propelling us forward in our mission to be the finest in the industry.

## Stability Amidst Challenges

The global landscape has undoubtedly presented challenges, notably marked by geopolitical conflicts that have disrupted supply chains and led to surging commodity prices and inflation. These factors have had an impact on consumer confidence and economic activity worldwide. However, at Ratnaveer Precision Engineering Limited, we have characterised our response with agility and resilience. We have successfully navigated these complexities by reinforcing our supply chain and enhancing our operational efficiencies. Our team has diligently worked together, driven by our long-

term objectives, emerging stronger and more cohesive.

India stands as a significant player in the global steel production arena, and the country's outlook is buoyant. The anticipated growth in steel demand, driven by government-led infrastructure spending and a resurgence in private investments, presents a promising landscape for our business. As one of India's largest exporters of SS Washers, we are well-positioned to capitalize on this demand surge, which will inevitably bolster our performance across various fronts, especially with the construction sector thriving.

## Record-Setting Financial Performance

It is with great pride that I report our financial performance for the fiscal year 2023-24. We have achieved our highest annual figures across all performance metrics. Our total revenue soared to Rs 602.40 crore, a commendable growth of 25.20% compared to the previous year. The EBITDA rose significantly to Rs 57.03 crore from Rs 47.02 crore, leading to a marked improvement in our EBITDA margin. Moreover, our sales volume witnessed a remarkable increase of 24.10% during the review period, affirming our strategic initiatives and operational excellence.

## Forward and Backward Integration- Expanding Our Reach

Our strategic efforts are not confined to merely navigating challenges; they extend to ambitious growth initiatives. In our endeavour to strengthen our market positioning, we are actively pursuing forward integration within our tubes and pipes division. This approach not only allows us to deliver quality products directly to end-users at competitive prices but also optimizes our profitability. Our backward integration facility enables us to independently manufacture washers that adhere to international quality standards. By controlling more of our production processes, we aim to ensure that our offerings remain top-notch while providing significant value to our clients.

Our operational capacity expansion is underway as we enhance our manufacturing efficiency and scale our production capabilities. With over two decades of domain expertise, we are resolutely strengthening our foothold in stainless steel

product manufacturing. To facilitate this, we have strategically positioned our manufacturing units to streamline logistics and cater effectively to both domestic and global demand.

## A Commitment to ESG Excellence

As we strive for growth, we remain deeply committed to our Environmental, Social, and Governance (ESG) objectives. It is our corporate responsibility to minimize our environmental footprint while ensuring the welfare of our stakeholders. Ratnaveer Precision Engineering Limited is dedicated to becoming a 100% green power company, paving the way for sustainable operations. We consistently adhere to rigorous standards, including ISO 9001, ISO 14001, and ISO 18001, fostering an environment that prioritizes safety, inclusivity, and quality management. Our efforts towards responsible corporate conduct focus not only on environmental sustainability but also on creating a diverse and inclusive workplace and engaging in comprehensive community development initiatives.

## Navigating Challenges and Embracing Opportunities

The past year has not been without its obstacles. We have faced significant difficulties resulting from international market dynamics, rising raw material prices, and increased freight costs. Yet, the challenges have been balanced by ample opportunities. Our expansion into new geographical markets, coupled with our investment in technological advancements, has amplified our potential to meet the burgeoning demand for industrial fasteners across diverse sectors, including automotive, construction, and aerospace.

Through our commitment to innovation, we continue to unlock new avenues of growth and performance improvement.

## Looking Ahead

Paving the way forward, we maintain an optimistic outlook for FY 2025. Our targets include achieving Rs 730 crore in total income and raising our EBITDA to Rs 83.67 crore. To realize these objectives, we are set to expand our product range, enhance our manufacturing capacities, and explore new geographical markets. The company has already planned capex, considering the optimistic industry outlook. A significant focus will also be placed on increasing our share of high-margin products, leveraging our backward integration capabilities for superior cost efficiency, and maintaining unwavering quality standards.

## A Message of Resilience and Gratitude

As I conclude this message, I wish to express my sincere gratitude to our Board of Directors for their strategic guidance and insights, our dedicated team for embodying our collective commitment to excellence, and our partners and investors for your faith in our vision. Together, we are on a trajectory of sustained success.

I welcome you to remain connected with us as we navigate the opportunities that lie ahead. At Ratnaveer Precision Engineering Limited, we remain dedicated to growth, resilience, and delivering long-term value to all our stakeholders.

Warm Regards,

**Mr. Vijay R Sanghvi**  
 Managing Director

# Our Diversified Offerings

Stainless steel is a beneficial product that has strong resistance to corrosion. The corrosion resistance of stainless steel is enhanced by higher levels of chromium and the addition of other alloys. When compared to traditional steel, stainless steel exhibits greater resistance to corrosion, a more appealing aesthetic finish, and a longer lifespan.

These attributes have contributed to the increasing global popularity of stainless steel. Cold rolled flat products are the most widely produced stainless steel product worldwide, followed by hot rolled coils, and steel wire rods & bars. At Ratnaveer, we specialise in a variety of stainless steel (SS) products, such as finished sheets, washers, solar roofing hooks, pipes and tubes.

## SS Finishing Sheets

### APPLICATIONS

Stainless sheets are thin, flat pieces of steel used in architecture, building and construction (ABC), automotive, railway and transport (ART), food industry, process industry and aerospace industries for their corrosion resistance and custom finishes. Our product range of SS finishing sheets comprises Satin Surface SS Sheets, Hairline SS Sheets, Scotch Bright SS Sheets and Mirror Surface SS Sheets.

## SS Washers

### APPLICATIONS

Washers are small, disk-shaped plates with a hole used to absorb a shock and evenly distribute the load of a fastener. Stainless steel washers are preferred because of their corrosion- and rust-resistant properties. Our portfolio includes inner ring washers, spring washers, nord lock washers, retaining rings, internal tooth washers and external tooth washers.

## SS Solar Roofing Hooks

### APPLICATIONS

Roofing hooks are essential for photovoltaic mounting systems for tiled roofs and are mounted directly on the roof battens and rafters. They are vital for solid fastening of photovoltaic systems on pitched roofs to ensure optimal tilt angles for maximum energy harvesting. These hooks are critical for the efficient working of a solar power system in both utility and rooftop applications.

## SS Scrap Metals

### APPLICATIONS

SS Scrap Metals, made from recycled stainless steel, are valued for their durability and corrosion resistance. They are widely used in producing new stainless steel products, such as kitchen appliances, automotive parts, construction materials, and medical equipment. Recycling SS scrap helps reduce waste, conserve resources, and lower production costs, supporting sustainable manufacturing across various industries.

## SS Tubes & Pipes

### APPLICATIONS

Stainless steel pipes and tubes are used across various industries, including oil and gas, capital goods, power, chemical plants, fertiliser plants, pharmaceuticals, sugar, dairy products, water desalination and automotive industry, among others. Their ability to resist degradation make them a preferred material for handling hot gases and corrosive liquids.

# General Applications of Washers

**Aerospace**

**Solar Energy**

**Railway Sector**

**Automobile**

**Defence**

**Architectures and Building**

# Business Operations

Our four manufacturing units are strategically located which facilitates seamless transportation of our products. We manufacture finishing sheets, washers, solar mounting hooks in Unit I and tubes and pipes in Unit II. Unit III and IV incorporate a backward integration process using which steel scrap is converted into steel ingots in Unit III (Melting Unit). In Unit IV (Rolling Unit) flat ingots are processed into sheets which are used as raw materials in washer production.

## Quality Control

We have provided our customers with top-notch products in line with our 'Customer-first' policy. Stringent quality control measures are implemented at every stage, from the procurement of raw materials to the production of finished goods to ensure that our products comply with international standards.

Our units are subject to periodic audits conducted by the ISO. Our quality control system conforms to ISO 9001:2015, ISO 14001:2015 and ISO 14001:2018 requirements.

Every batch of our products undergoes rigorous testing to minimise quality defects and enhance customer satisfaction by employing

# Human Resource

At Ratnaveer, we value diversity and inclusion and strive to empower each individual to excel in their respective roles. To ensure that our workplace adheres to the best health and safety standards, we track regulatory changes, meeting health and safety standards. We ensure the well-being of our personnel undertake awareness initiatives and conduct safety training to prevent the occurrence of hazards.

In our goal to create a healthy and sustainable company, we strive to create a safe, healthy and happy workplace for all our employees. We stringently follow an open-book management style with 360-degree performance management and a transparent and fair evaluation system. It is imperative for our company to take care of the personal and professional growth of our employees. We ensure that by sharing abundant knowledge, training coaching, mentoring and a healthy awards system.

## Testament to Quality

We at Ratnaveer hold the relevant certificates which underscores our strict adherence to international standards of Quality management, environmental management and occupational health and safety management.

# Delivering on Our Social Commitments

At Ratnaveer, sustainability is a core value that guides our operations. We are dedicated to preserving the environment, contributing to community development, and upholding ethical business practices. Through various initiatives, we have made significant strides in reducing our carbon footprint, promoting employee welfare, and supporting sustainable practices throughout our value chain. Our commitment to sustainability is integral to our mission and vision, driving our actions towards a more responsible and sustainable future.

## Health

We support community health projects specially those based on preventative measures. We contribute to the 'Swachh Bharat Kosh' set up by the Central Government to promote sanitation and ensure the availability of safe drinking water.

## Education

We encourage employment by enhancing vocational skills of children, women, elderly and the differently abled. We support children of incarcerated parents and offer special programmes for underprivileged children. Our initiatives include providing scholarships and vocational training.

## Empowering Women and Fostering Inclusivity

We establish homes and hostels for women and orphans, old age homes and day care centres for senior citizens. We contribute to various funds aimed at uplifting the socio-economic backward groups such as Scheduled Castes, the Scheduled Tribes, other backward classes, minorities and women.

## Sustainability

We undertake initiatives that prioritise maintaining the ecological balance by protecting biodiversity, ensuring animal welfare, encouraging agro-forestry, conserving natural resources and preserving the quality of soil, air and water. We contribute to the 'Clean Ganga Fund' set up by the Central Government for the rejuvenation of the river Ganga.

## Preserving National Heritage

We engage in projects aimed at restoring historical buildings, sites and artefacts. We undertake projects for the promotion and development of traditional art and handicrafts.

# Key Managerial Personnel

**Mr. Vijay R Sanghvi**  
Managing Director

Mr. Vijay R Sanghvi, Entrepreneur with a vision Pursuing all the qualities of a Visionary entrepreneur, aged about 47 years, is a Commerce Graduate from MS University, Vadodara, having more than 25 years of experience in ferrous and non ferrous metal Industries.

Right since inception of the company, he is being actively and wholeheartedly involved in the operations of the company and he is overall in charge of production and marketing functions in the company with strategic focus on export marketing, new product development, customer coordination and related management.

He is carving out a vision of a large corporation with a high growing agenda, well-timed strategic moves and inspired leadership.

**Mr. Babulal Sohan Lal Chaplot**

Whole Time Director

Mr. Babulal Chaplot, who is the Whole Time Director of the company is BE - Mechanical from MS University Baroda, having rich experience of over 4 decades with various companies like Hindustan Tractors, Ginnar Scooters, Hindustan Earth Movers, etc. in various departments like purchase, production, project planning, etc.

He was appointed as Executive Director on Board of the company in 2011. However, he is with the company for over last 15 years and is currently the Whole Time Director of the company. He is in charge of production as well as commercial functions.

**Mr. R.V. Sreeram**  
Independent Director

Mr. Sreeram Vishwanathan R., the Independent Director of the company is qualified as a CA in the year 1991 and also qualified as a CS from ICSI in 1995. At present, he is practicing CA under the firm name ADSS & Co. He was employed as Section Officer (Commercial) with Indian Audit and Accounts Department.

Earlier, he has worked with large corporates like Sun pharmaceutical Industries. He has got opportunity of doing proprietary audits and conducting supplementary audit accounts of public sector undertakings in the field of Oil, Petrochemical Industries and Hydrocarbon industry. He was also a visiting faculty in professional institutes at branch level at Baroda giving lectures on commercial laws, direct and indirect taxes. His firm is doing the statutory and tax compliances on direct and indirect taxes to various companies and firms and also handled many a branch level audits of nationalised banks.

**Mrs. Karuna Advani**  
Independent Director

Mrs. Karuna Advani, the Independent Director of the company is an expert in company law, SEBI rules & regulations, FEMA, IBC. She is a fellow member of ICSI and LLB post graduate.

She is working as a PCS since 2022 with a proven track record of providing expert corporate governance and compliance support to diverse organizations.

**Mrs. Binita Verdia**  
Non Executive Director

Dr. Binita Verdia, the Non Executive Director of the company is Ph.D. holder in Botany, specialization in Plant tissue culture and its applications from Maharaja Sayaji Rao University of Vadodara, Gujarat.

She also holds a degree of Master of Science from Maharaja Sayaji Rao University of Vadodara, Gujarat. She has over two decades of experience Corporate & NGO Management, CSR front, Research and learning nuances of ESG component.

**Mr Rajash Shah**  
Independent Director

Mr. Rajash Shah, an Independent Director of the company is Fellow Chartered Accountant having around 19 years of experience in Banking and Corporates. He is having rich experience in the areas of Corporate Finance & Treasury, International Business development, Merger & Acquisition, Taxation, Statutory compliance. He has been instrumental in various acquisition deal of large corporates. Presently, he is working with Dineshchandra R. Agrawal Infracon Group as a Group Head of finance, accounts and Taxation.

**Ms. Swati Sharda**  
Company Secretary &  
Compliance Officer

Ms. Swati Sharda, Company secretary and compliance officer of the company is having 11 years of experience in Company Law, compliance and related matters.

She is having rich experience in the areas of Preparing Search reports, Annual compliances, DIN matters, successfully convening board meeting and AGM, Alteration of Articles, Filing of charges related forms (modification & satisfaction), Drafting of Annual Reports of private limited, public limited and listed companies,

She is well versed with SEBI regulations, LODR, Liasoning with BSE, NSE and RTA for listed company compliances related work, handling shareholder query related to transmission, duplicate issue, IEPF etc, Handling Dividend related work.

Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/ OAVM and participate there at and cast their votes through e-voting.

3. The Company has fixed Friday, September 13, 2024 as Cut-off date for determining entitlement for remote e-voting as well as e-voting of shareholders holding shares in physical or dematerialized form.
4. The Members can join the AGM in the OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
5. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
6. The details of Director seeking Appointment / Re-appointment pursuant to provisions of Regulation 36(3) of the Listing Regulations and Secretarial Standard – 2 are annexed herewith as Annexure - A.
7. All the work related to share registry in terms of both physical and electronic, are being conducted by Company's Registrar & Share Transfer Agents, Link Intime India Pvt. Limited, C-101, 247 Park, 1<sup>st</sup> Floor L.B.S. Marg, Vikhroli West, Mumbai, Maharashtra, 400083, Tel: 8108114949, Email Id: [ratnaveerprecision.ipo@linkintime.co.in](mailto:ratnaveerprecision.ipo@linkintime.co.in). The Members are requested to send their communication to the aforesaid address.
8. All documents referred to in the Notice are open for inspection at the Registered Office of the Company between 11:00 a.m. to 1:00 p.m. on any working day except Saturdays and Sundays and holidays upto the date of Annual General Meeting.
9. In line with the MCA Circulars, the Notice calling the AGM and Annual Report have been uploaded on the website of the Company at [www.ratnaveer.com](http://www.ratnaveer.com). The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited and NSE Limited at [www.bseindia.com](http://www.bseindia.com) and [www.nseindia.com](http://www.nseindia.com) and on the website of Link Intime India Pvt. Ltd (authorized agency for providing the e-voting facility) i.e. [www.linkintime.co.in](http://www.linkintime.co.in)
10. ELECTRONIC DISPATCH OF NOTICE AND ANNUAL REPORT: As per the MCA General Circular No. 20/2020 dated 5<sup>th</sup> May, 2020 and SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 6 12<sup>th</sup> May, 2020, Notice of AGM along with Annual Report for the Financial Year ended 31<sup>st</sup> March, 2024 is being sent only in electronic mode (through email) to those Members whose e-mail addresses are registered with the Company/ Link Intime India Private Limited or the Depository Participant(s).
11. Members are requested to register / update their details of Email ID, Bank Details by accessing [https://www.linkintime.co.in/EmailReg/Email\\_Register.html](https://www.linkintime.co.in/EmailReg/Email_Register.html) which is the portal of the RTA of the Company, M/s. Link Intime India Private Limited.
12. This information has also been placed on the Company's, as well as, BSE's and NSE's websites and notified in Newspapers. The shareholders should take proper care in this regard in their interest as advised in the Notices by the Company. Such action will continue to be enforced year after year.
13. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Link Intime India Pvt. Ltd (LIPL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by LIPL.
14. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 08, 2020 and MCA Circular No. 17/2020 dated April 13, 2020, MCA Circular No. 20/2020 dated May 05, 2020 and MCA Circular No. 2/2021 dated January 13, 2021, MCA Circular No. 21/2021 dated December 14, 2021, MCA Circular No. 02/2022 dated May 05, 2022, MCA Circular No. 10/2022 dated December 28, 2022 and MCA Circular No. 09/2023 dated September 25, 2023.
15. Institutional Members/Corporate Members (i.e., other than individuals, HUFs, NRIs, etc.,) are required to send a scanned copy (PDF/JPG format) of their respective Board or governing body Resolution, Authorization, etc., authorizing their representative to attend the AGM through VC/OAVM on their behalf and to vote through remote e-Voting. The said Resolution / Authorization shall be sent to the Scrutinizer by e-mail to [csneerajtrivedi@gmail.com](mailto:csneerajtrivedi@gmail.com) with a copy marked to [cs@ratnaveer.com](mailto:cs@ratnaveer.com). Institutional Members/Corporate Members can also upload their Board Resolution/ Power of Attorney/Authority Letter, by clicking on "Upload Board Resolution/Authority letter", etc. displayed under 'e-Voting' tab in their Login.

16. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company as on the cut-off date will be entitled to vote at the AGM.
17. SEBI vide its notification dated January 24, 2022 has amended Regulation 40 of the SEBI Listing Regulations and has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialised form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, Members are advised to dematerialize the shares held by them in physical form. Members can contact the Company or the Company's RTA, for assistance in this regard.
18. Sebi has mandated submission of pan by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their pan details to their depository participants. Members holding shares in physical form are requested to submit their pan details to the company's rta.
19. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company's RTA, the details of such folios together with the share certificates alongwith the requisite KYC documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form.
20. As per the provisions of Section 72 of the Act and SEBI Circular, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/she may submit the same in ISR-3 or SH-14 as the case may be. The said forms can be downloaded from our website at [www.ratnaveer.com](http://www.ratnaveer.com) and website of the Registrar and Transfer Agent ('RTA') at [www.linkintime.co.in](http://www.linkintime.co.in). Members are requested to submit the said details to their DPs in case the shares are held by them in dematerialized form and to the Company's RTA in case the shares are held by them in physical form, quoting their folio number.
21. To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with the Company's RTA in case the shares are held by them in physical form.
22. Those Members who have already registered their email IDs are requested to keep the same validated with their DP/RTA to enable serving of notices/documents/Annual Reports and other communications electronically to their email ID in future.
23. In compliance with the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Regulation 44 of the SEBI Listing Regulations (as amended), MCA Circulars and the SEBI Circulars, the Company is providing its Members the facility to exercise their right to vote on resolutions proposed to be considered at the AGM by electronic means (by using the electronic voting system provided by Link intime) either by (i) remote e-Voting prior to the AGM or (ii) remote e-Voting during the AGM. Instructions for Members for attending the AGM through VC/OAVM are explained below.
24. A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the depositories as on Friday, 13<sup>th</sup> day of September, 2024 ('cut-off date') shall be entitled to vote in respect of the shares held, by availing the facility of remote e-Voting prior to the AGM or remote e- voting during the AGM.
25. Members of the Company holding shares either in physical form or electronic form, as on the cut-off date of Friday, 13<sup>th</sup> day of September, 2024, may cast their vote by remote e-Voting. The remote e-Voting period commences on Friday, 20<sup>th</sup> day of September, 2024 at 9:00 a.m. (IST) and ends on Sunday, 22<sup>nd</sup> day of September, 2024 at 5:00 p.m. (IST). The remote e-Voting module shall be disabled by Link intime for voting thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently.
26. The Members can opt for only one mode of remote e-Voting i.e., either prior to the AGM or during the AGM. The Members present at the Meeting through VC/OAVM who have not already cast their vote by remote e-Voting prior to the Meeting shall be able to exercise their right to cast their vote by remote e-Voting during the Meeting. The Members who have cast their vote by remote e-Voting prior to the AGM are eligible to attend the Meeting but shall not be entitled to cast their vote again.
27. The Board of Directors has appointed M/s TNT & Associates, Practicing Company Secretaries, as the Scrutinizer to scrutinize the remote e-Voting process, in a fair and transparent manner.

Shareholders/ Members who have voted through Remote e-Voting prior to the General Meeting will be eligible to attend/ participate in the General Meeting through InstaMeet. However, they will not be eligible to vote again during the meeting.

Shareholders/ Members are encouraged to join the Meeting through Tablets/ Laptops connected through broadband for better experience.

Shareholders/ Members are required to use Internet with a good speed (preferably 2 MBPS download stream) to avoid any disturbance during the meeting.

Please note that Shareholders/ Members connecting from Mobile Devices or Tablets or through Laptops connecting via Mobile Hotspot may experience Audio/Visual loss due to fluctuation in their network. It is therefore recommended to use stable Wi-Fi or LAN connection to mitigate any kind of aforesaid glitches.

In case shareholders/ members have any queries regarding login/ e-voting, they may send an email to [instameet@linkintime.co.in](mailto:instameet@linkintime.co.in) or contact on: - Tel: 022-49186175.

## **Statement as required under Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 102 of the Companies Act, 2013, as may be applicable.**

### **Item No. 03**

The Board, on recommendation of Audit Committee, has approved the appointment and payment of remuneration of the Cost Auditor M/s. Ashish Bhavsar & Associates, Cost Accountant (Firm Registration No. 000387), to conduct the audit of the cost Records of the Company for the Financial year ending 31<sup>st</sup> March, 2024 at a remuneration of ₹ 85000/- (Rupees Eighty Five Thousand Only) plus reimbursement of out of pocket expenses and applicable tax if any. In terms of provisions of Section 148 (3) of the Companies Act, 2013 read with Companies (Audit and Auditors) Rules, members' ratification is required for remuneration payable to the Cost Auditor. Therefore, consent of the members of the Company is sought for passing of an Ordinary Resolution as set out in Item No. 3 for ratification of the remuneration payable to the Cost Auditors for the financial year ending 31<sup>st</sup> March, 2025.

The Board recommends the Resolution as set out in item no. 3 of the Notice for approval of the Members

None of the Directors or Key Managerial Personnel or their relatives are in anyway concerned or interested in the above resolution.

## ANNEXURE A TO THE NOTICE

**Details of Directors seeking Appointment/Reappointment at the 22<sup>nd</sup> Annual General Meeting pursuant to Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard-II issued by the Institute of Company Secretaries of India ("ICSI") are as under:**

Name of Director	Mr. Vijay Sanghavi (Managing Director-Chairman)
DIN No.	00495922
Date of Birth	28.09.1977
Age	47
Date of Appointment	20.02.2002
Experience	Over 25 years
Qualification	Commerce Graduate
Chairman / Directorship in other Company	NA
Chairman/Member of Committees of the Board of Companies of which he or he is a Director.	Member of Stakeholder Relationship Committee
Chairman of Committees of other Companies	NIL
Member of Committees of other Companies	NIL
No. of Equity shares held	2,59,68,000
Brief profile and nature of their expertise in specific functional areas.	Vijay Ramanlal Sanghavi is the Managing Director and Chief Financial Officer of our Company. He has been associated with our Company since its incorporation. He holds a bachelor degree in Commerce from the MS University, Baroda. He has over two decades of experience in ferrous and non-ferrous metal Industries. He has been associated with the Company since its incorporation and has been actively involved in the operations of the Company. He is in-charge of the finance and marketing functions in the Company and also overviews production, Research & Development and related management of the Company.
Number of meetings of the Board attended during the year 2023-24	15
Relationship with Other Directors	NA
Terms and conditions of appointment details of remuneration sought to be paid and the remuneration last drawn by such person, if applicable, date of first appointment on the Board.	As agreed between Mr. Vijay R Sanghavi & the Board of Directors of the Company

By the Order of Board of Directors of  
**Ratnaveer Precision Engineering Limited**

Place: Vadodara  
Date: 20.08.2024

**VIJAY RAMANLAL SANGHAVI**  
Chairman & Managing Director  
DIN: 00495922

# Management Discussion & Analysis

## Global Economic Overview

The reported year witnessed the global economy grappling with various macroeconomic challenges. Despite a tumultuous CY 2023, marked by persistent geopolitical turmoil triggering volatility in energy and food markets and inflation, the global economy showcased remarkable resilience, expanding by 3.2%<sup>1</sup>. Central banks in major economies resorted to calibrated interest rate hikes to curb inflation. While the strategic monetary policies slowed the global economy, it also aided in avoiding an economic downturn.

The United States, fuelled by robust consumer and government spending and a resurgence in international

trade, achieved a growth rate of 2.5%. In contrast, the European Union and the Euro area experienced slower growth rates of 0.8% and 0.9%<sup>2</sup> respectively, as internal policies and external geopolitical risks tempered their economic momentum.

On the other hand, while emerging markets such as India, Vietnam and Mexico experienced positive growth trajectories, China recorded a sluggish growth rate. Owing to gradual recovery from real estate sector challenges, subdued consumer confidence and demographic challenges, China recorded a growth of 5.2%.

**A WORLD OF PRECISION**

Emerging markets demonstrated commendable growth, supported by diversified economic strategies and foreign investments. Simultaneously, the global economy also drew strength from a resilient labour market, service-driven expansion, strong household and corporate balance sheets and strategic fiscal interventions. Notably, global inflation eased due to declining energy prices and reduced labour shortages, averting a wage-price spiral despite significant banking stress and rapid policy tightening.

### Real GDP Growth (Annual Percent Change)

Source: IMF, World Economic Outlook, July, 2024

### Outlook<sup>3</sup>

Looking ahead, it remains cautiously optimistic for the global economy, with the projected growth rate sustaining itself at 3.2%. Inflation is expected to gradually decline, reaching 5.9% in 2024 and further easing to 4.5% in 2025. It is anticipated that inflation rate will decline faster in advanced economies compared to emerging markets, owing to subsiding energy price shocks and robust monetary policy frameworks.

Central banks are planning to strategically ease the monetary policies, supporting the ongoing economic recovery. This coordinated effort aims to facilitate a stable transition towards sustained growth while preventing financial instability. The evolving landscape suggests the potential for a soft landing for the global economy, demonstrating resilience in the face of dynamic trade and investment conditions.

### Inflation Rate, Average Consumer Prices (Annual % Change)

<sup>3</sup><https://pib.gov.in/PressReleaseDetailm.aspx?PRID=2022323#:~:text=Annual%20Estimates%20and%20Growth%20Rates&text=Nominal%20GDP%20or%20GDP%20at,a%20growth%20rate%20of%209.6%25>

## Indian Economic Overview

In FY 2023-24, the Indian economy exhibited robust growth, achieving a GDP expansion of 8.2% . This performance positions India as the fastest-growing major economy globally, surpassing the growth rate observed in the previous fiscal year. A significant contributor to this growth was the substantial increase in capital expenditure, rising from ₹10.5 lakh crore in FY23 to ₹12.7 lakh crore in FY24<sup>4</sup>. This further stimulated private investment and widespread economic activity.

### TREND IN CAPITAL EXPENDITURE

(₹in lakh crore)

Source: Ministry of Finance: Budget at a Glance: February 2024

The government's prudent fiscal management and well-calibrated monetary policies played a pivotal role in effectively managing inflationary pressures. With the decline in inflation, economic activities steadily improved. Additionally, the strategic initiatives undertaken by the Government of India bolstered consumer confidence and created a favourable environment for sustained economic expansion.

Furthermore, the economy benefited from robust domestic demand, driven primarily by private consumption, and strong performance in both the services and manufacturing sectors. Key economic indicators such as credit growth, GST collections and a consistently strong manufacturing PMI, further validate the economy's dynamism and potential for continued growth and stability.

<sup>4</sup>[https://www.indiabudget.gov.in/doc/Budget\\_at\\_Glance/budget\\_at\\_a\\_glance.pdf](https://www.indiabudget.gov.in/doc/Budget_at_Glance/budget_at_a_glance.pdf)

<sup>5</sup><https://www.hindustantimes.com/india-news/indian-economy-expected-to-achieve-higher-than-7-growth-in-2024-25-ncaer-101714402859266.html>

## Outlook

The economic outlook for India remains encouraging, with GDP growth projected to be around 7%<sup>5</sup> in FY 2024-25. This positive forecast can be attributed to enhanced focus on scaling infrastructure in key sectors such as transport and urban development. Additionally, the anticipated improvement in global economic conditions and the implementation of more accommodative monetary policies in developed nations are expected to further augment private investment and enhance India's export capabilities. The country's strategic fiscal policies and a growing young workforce further contribute to this optimistic outlook, positioning India on a sustainable path of growth and development in the years to come.

## Industry Overview

### Global Stainless Steel Industry<sup>6</sup>

The global stainless steel industry is anticipated to reach 1,793 million metric tons in 2024, attaining 1.7% increase. This growth is projected to continue in 2025, with the industry reaching 1,815 million metric tons, growing at a rate of 1.2%. This recovery reflects the positive shift from the industry's recent downturn.

The regional dynamics in steel demand are varied. China, one of world's largest steel producer, anticipates stabilisation in 2024 due to ongoing infrastructure investments despite challenges in real estate. However, a

1% decline is anticipated in 2025 as the country transitions away from investment-led growth.

Conversely, India is expected to witness a substantial increase in steel demand, projected at 8.2% annually for both 2024 and 2025. This growth is likely to be driven by increased emphasis on infrastructure projects and overall economic expansion.

While the European Union is anticipated to record a marginal growth in 2024 and a projected 5.3% growth in 2025, the United States, on the other hand, is experiencing a faster rebound, supported by the Inflation Reduction Act and the growing housing market.

### Global Steel Demand Trend and Forecasts (in million metric tonnes)

Source: worldsteel.org

<sup>6</sup>worldsteel-Short-Range-Outlook-April-2024.pdf

## Indian Stainless-Steel Industry

The Indian steel industry is playing a pivotal role in the country's pursuit of becoming a \$5 trillion economy by 2025. In FY 2023-24, the sector demonstrated remarkable growth, consuming 135.9 metric tonnes of steel<sup>7</sup>. Notably, India produced the highest volume of steel this fiscal year with crude steel at 143.6 MT, while finished steel production reached 138.5 MT. These figures reflect the industry's prowess to meet the escalating demand from both domestic and industrial sectors.

Government initiatives aimed at bolstering the manufacturing, infrastructure and housing sectors have been instrumental in driving this expansion. Furthermore, the industry transitioning to a net exporter of steel by January 2024 highlights its competitiveness on the global stage. With increasing demand, ongoing government support and a focus on technological advancements, the Indian steel industry is poised for continued growth.

### Production and Consumption (April- March)

(in Million Tonne)

Source: Ministry of Steel – Report for FY 2024

## Stainless Steel (SS) Sheet Industry

The global stainless steel sheet market is poised for significant growth, with projections indicating an increase from \$112.43 billion in 2023 to \$167.48 billion by 2030, at a compounded annual growth rate (CAGR) of 5.9%<sup>8</sup>. This expansion is primarily fuelled by continuous technological advancements in stainless steel manufacturing processes. For instance, plasma cutting technology has redefined the production landscape by increasing cutting speeds, improving efficiency and delivering superior finishes compared to traditional cutting methods.

Rapid urbanisation, increased mobility, demographic shifts, climate change and broader economic development are expected to play a crucial role in the industry's growth. With growing awareness about sustainability, key market players are adopting sustainable practices, focusing on the development of durable and recyclable stainless steel products to align with global sustainability goals.

**Domestic Demand:** Domestically, India has shown a notable increase in stainless steel sales, growing at a CAGR of 4.4% from 2019 to 2023. It is expected that the industry will sustain its growth, maintaining a growth rate of 6.2% up to 2034<sup>9</sup>. This reflects an increasing reliance on stainless steel in various industrial applications due to its high corrosion resistance and versatility.

<sup>7</sup><https://steel.gov.in/sites/default/files/Monthly%20Summary%20for%20March-2024.pdf>

<sup>8</sup><https://www.fortunebusinessinsights.com/stainless-steel-sheet-market-104122>

<sup>9</sup><https://www.futuremarketinsights.com/reports/stainless-steel-industry-analysis-in-india#:~:text=Sales%20of%20stainless%20steel%20in,at%20a%20CAGR%20of%206.2%25.>

### Sector-Specific Applications and Growth

Due to inherent properties such as high corrosion resistance, temperature tolerance and strength, stainless steel sheets find its application across a myriad of industries.

Key sectors benefiting from these properties include:

#### General Manufacturing and Consumer Goods:

Stainless steel is indispensable in the production of kitchenware, automotive parts, machinery and more. Its ability to resist corrosion and high-temperature makes it ideal for use in food processing, chemical plants and aerospace applications.

**Construction and Infrastructure:** Stainless steel is used in the construction sector for structural components, architectural cladding and decorative elements. The material's durability and aesthetic appeal make it a preferred choice for modern architectural projects.

**Automotive and Transportation:** The automotive industry employs stainless steel in vehicle structures and components. Its malleability and corrosion resistance are crucial for the longevity and performance of automotive parts.

### Emerging Trends and Opportunities

The demand for stainless steel sheets is particularly robust in the Architecture, Building and Construction (ABC) segment. This is particularly due to its growing use in external and internal cladding, as well as in decorative applications. Innovations in building design and the growing emphasis on aesthetics have increased the use of stainless steel sheets in both commercial and residential buildings. Furthermore, rapid growth in the organised retail sector and the growing Indian hospitality industry in India presents lucrative opportunities for stainless steel industry.

**Impact of Green Building Movements:** The paradigm shift towards green buildings has significantly influenced the stainless steel sheet market. As people are becoming more environmental-conscious, sales of stainless steel have gained traction. The material's properties such as long service life and maintenance-free requirements further enhance its suitability for green building standards.

### Outlook

The stainless steel sheet market is poised for significant growth, driven by expanding applications in the ABC segment, particularly with the rise of new metro projects. The increasing use of stainless steel sheets for decorative cladding and architectural elements is expected to augment demand, especially for specialised finishes.

Beyond these sectors, the stainless steel also finds its applications in industries such as the process industry and kitchenware manufacturing. Overall, technological advancements, increasing demand across various sectors and the growing emphasis on sustainable building practices are expected to bolster the growth of the stainless sheet market.

### Stainless Steel Finishing Sheet Industry

The stainless steel sheet market is booming, expected to reach a staggering USD 227 billion by 2036. This translates to a robust Compound Annual Growth Rate (CAGR) of 6% over the forecast period (2024-2036). In 2023, the industry size stood at a significant USD 113 billion. This surge is driven by a confluence of factors, including large-scale trends like urbanisation and population growth that create demand for infrastructure and consumer goods, as well as the ever-increasing appeal of stainless steel's inherent qualities – superior corrosion resistance, design flexibility, and aesthetic – to product designers and manufacturers across various industries.

<sup>10</sup><https://www.researchnester.com/reports/stainless-steel-strips-market/5701>

## Emerging Trends

The stainless steel sheet market is witnessing exciting new trends that are shaping its future:

**Technological Advancements in Production:** The industry is embracing advancements in production processes to enhance efficiency and product quality. Plasma cutting technology is a prime example, offering faster cutting speeds, improved finishes, and the ability to handle a wider range of thicknesses compared to traditional methods.

**Expanding Applications in Consumer Goods:** Stainless steel sheets are finding their way into an increasing variety of consumer products. Their durability, corrosion resistance, and aesthetics make them ideal for everything from household appliances and cookware to building materials and automotive parts.

## Outlook

The stainless steel sheet market is poised for continued growth, driven by its versatility, growing demand across diverse sectors, and ongoing advancements in production technology. The vast potential for new product applications and the increasing emphasis on sustainability, with stainless steel's inherent longevity, further bolsters the market's optimistic outlook. As the world continues to urbanise and technological innovation accelerates, we can expect the stainless steel strip market to play an increasingly vital role in shaping our built environment and everyday lives.

## Stainless Steel Washer Industry

The stainless steel washers market is a thriving industry valued at USD 1.14 billion in 2023 and is poised for steady growth, reaching an estimated USD 1.48 billion by 2030. This translates to a Compound Annual Growth Rate (CAGR) of 4.08% over the forecast period. This market encompasses the manufacturing, distribution, and sale of washers specifically made from stainless steel components. These washers play a crucial role in various industrial applications. They function as fasteners, distributing loads, providing structural support, and preventing threaded fasteners from loosening.

**2030**

**\$ 1.48 billion**

**2023**

**\$ 1.14 billion**

## Emerging Trends

The demand for stainless steel washers is driven by several key trends:

**Shifting Preference for Stainless Steel:** Industries are increasingly opting for stainless steel fasteners over traditional materials due to their superior corrosion resistance.

**Sustainability Focus:** The emphasis on sustainable practices is pushing manufacturers to develop washers with improved lifespans, reducing overall waste.

**Technological Advancements:** Production processes are leveraging advancements in technology to enhance the quality, effectiveness, and precision of stainless steel washers.

## Expanding Applications Beyond Traditional Sectors

**Expanding market:** The market is witnessing a diversification in the use of stainless steel washers. While construction and automotive remain dominant sectors, the washers are gaining traction in new areas like-

- **Aerospace:** Their high strength-to-weight ratio makes them ideal for applications where weight reduction is crucial.
- **Food Processing:** Corrosion resistance and hygienic properties make them suitable for maintaining food safety standards.
- **Medical Industry:** Their durability and resistance to sterilisation processes position them well for medical equipment applications.

## Outlook

The stainless steel washers market is a dynamic and growing sector, fueled by a focus on durability, sustainability, and innovation. As technology continues to advance and new applications emerge, we can expect to see even more specialised and high-performance stainless steel washers hit the market in the years to come.

## Stainless Steel Pipes and Tubes Industry

The global stainless steel pipes and tube market has shown a robust growth trajectory, with its valuation expected to rise from \$33.95 billion in 2022 to \$51.87 billion by 2031, marking a CAGR of 4.8%<sup>12</sup>. In India, the stainless steel pipes and tubes industry is a key contributor to the overall

<sup>11</sup><https://www.verifiedmarketreports.com/product/stainless-steel-washers-market-size-and-forecast/>

steel industry, accounting for approximately 8% of India's total steel consumption<sup>13</sup>. The market volume reached 6.98 million tons in 2023 and is projected to increase to 7.66 million tons by 2030.

### Emerging Trends

**Automotive Industry Demand Surge:** Stainless steel pipes and tubes are increasingly utilised in the automotive sector, especially in exhaust systems, fuel lines and cooling systems. With the industry observing a paradigm shift towards more fuel-efficient and environmental-friendly vehicles, including electric and hybrid models, stainless steel pipes are expected to witness a surge in sales. Properties such as durability, lightweight nature and corrosion resistance make stainless steel ideal for modern automotive applications.

**Industrial Applications:** Stainless steel products find extensive use across several industries, including oil and gas, chemicals and power. Their unique properties make them suitable for critical applications such as heat exchangers, condensers and other equipment in chemical plants, fertiliser plants and more.

### Growth Drivers in Various Sectors

**Oil and Gas:** The expansion of pipeline infrastructure to meet increasing energy demands ensures sustained growth in this sector.

**Pharmaceutical Industry:** India is the third-largest sector in volume globally. With India focusing to strengthen its manufacturing capacity, it is expected to spur demand for stainless steel pipes and tubes.

**Capital Goods Industry:** Stainless steel's resistance to corrosion and chemical exposure makes it ideal for manufacturing essential components such as heat exchangers and condensers used across various process industries.

**Construction and Real Estate:** Despite challenges posed by economic factors, the recovery in construction activities is likely to rejuvenate demand for stainless steel in architectural applications.

### Outlook

The Indian stainless steel pipes and tubes industry is poised for growth, driven by robust domestic demand across various sectors. Growth in key industries such as oil and gas, chemicals, pharmaceuticals, and automotive is increasing demand for stainless steel pipes and tubes.

India's increasing focus on developing infrastructure, growing energy needs expanding pharmaceutical and chemical industries are some of the other significant contributors to the growth of the industry. While challenges such as fluctuating raw material prices and import competition persist, governmental initiatives and policy reforms are expected to mitigate these risks and bolster growth. The industry is well-positioned for continued expansion, contributing significantly to India's economic development.

<sup>12</sup><https://www.businessresearchinsights.com/market-reports/stainless-steel-pipes-and-tube-market-106732>

<sup>13</sup>[https://www.blueweaveconsulting.com/report/india-steel-pipes-and-steel-tubes-market#:~:text=The%20steel%20pipes%20and%20tubes,Welded%20and%20Seamless%20\(S%26S\).](https://www.blueweaveconsulting.com/report/india-steel-pipes-and-steel-tubes-market#:~:text=The%20steel%20pipes%20and%20tubes,Welded%20and%20Seamless%20(S%26S).)

## Fastener Industry

The global fastener industry is witnessing steady growth, projected to reach USD 124.98 billion by 2029 with a CAGR of 5.74%<sup>14</sup>. This growth is fuelled by the expansion of manufacturing and construction sectors, technological advancements and the increasing demand for high-quality, durable fasteners across various applications.

In India, the market is expected to register a CAGR of 7.9% between 2023 and 2030, reaching USD 17,868 million by 2030<sup>15</sup>. Key drivers include India's growing economy, surging infrastructure investments and rising consumer spending. Additionally, global factors such as increasing resistance to Chinese fasteners and geopolitical uncertainties are creating opportunities for Indian manufacturers.

### Outlook

The outlook for the fastener industry is positive, both globally and in India. While challenges such as fluctuating raw material prices and stringent quality regulations persist, the industry is expected to navigate these hurdles easily. Leveraging technological innovation, focusing on quality, coupled with increasing demand across various sectors and the rise of India as a global manufacturing

hub, the fastener industry is poised for sustained growth in the upcoming years.

## Company Overview

Established in 2002, Ratnaveer Precision Engineering Limited (RPEL) is a prominent player in the precision engineering sector, specialising in the manufacture of high-quality stainless steel products. The Company's diversified product line includes stainless steel sheets, tubes and custom fabrications.

RPEL ensures the products are tailored to meet the stringent requirements of various industries. It is the leading exporter of over 2500 high value-added washers, delivering its products to over 31 countries across the world. The Company operates four state-of-the-art manufacturing units located in Gujarat, India.

### Key Strengths

**Vertically Integrated Operations:** RPEL has an unique backward integration model. The manufacturing waste generated from the Company is recycled into usable raw materials, optimising resource utilisation and enhancing cost efficiency. This self-sufficient approach not only reduces dependency on external suppliers but also reinforces the Company's commitment to sustainable practices.

**Diverse and Specialised Product Portfolio:** RPEL's comprehensive portfolio spans a wide range of stainless steel products, including over 2,500 SKUs of washers alone. This extensive offering caters to diverse industries, demonstrating the Company's ability to adapt to varying market demands and customer needs.

**Global Market Reach:** RPEL has an extensive geographic footprint, enjoying a dominant market share in both domestic and international markets. This global reach not only diversifies the Company's revenue streams but also strengthens its resilience against market fluctuations.

**Stringent Quality Assurance:** RPEL maintains stringent quality control measures throughout its production processes, ensuring that its products surpass industry standards. This unwavering commitment to quality has earned RPEL a reputation for reliability and excellence in the industry.

### Outlook

RPEL is poised for continued growth, leveraging its diverse and expanding global customer base across India and Europe. The Company's strategy to develop a varied clientele base has significantly reduced geographical concentration risks and ensured a steady stream of revenue. The Company's commitment to introducing new product designs and retaining existing customers, is expected to further enhance its market reach and cater to evolving demands.

Further, RPEL's focus on technology integration and plant automation is anticipated to yield significant cost efficiencies and improve productivity. By investing in advanced manufacturing technologies and process automation, the Company is well-positioned to optimise operations and enhance overall business processes. These strategic initiatives, combined with a strong financial performance and established market presence, will enable RPEL to navigate challenges and capitalise on emerging opportunities.

## Risks and Mitigation Strategies

Risks	Mitigation Strategies
<b>Cyclical Nature of End-User Industries:</b> Demand for stainless steel products can fluctuate with economic cycles, government incentives and technological shifts.	<b>Diversified Product Portfolio:</b> RPEL has strategically diversified its products portfolio, going beyond washers. The Company's product portfolio includes stainless steel pipes, tubes and solar roofing hooks, reducing reliance on any single market segment.
<b>Raw Material Price Volatility:</b> Supply chain disruptions can trigger fluctuations in raw materials. Volatility in nickel and chromium prices can significantly impact the Company's profitability.	<b>Strategic Sourcing and Hedging:</b> The Company actively engages in long-term contracts with suppliers and explores alternative sourcing options to mitigate price volatility.
<b>Different financial risks:</b> A web of financial risk can affect the working of the Company. These risks might include everything from credit risks and interest rate risk (borrowing cost fluctuations) to liquidity risk (cash flow shortfalls) and foreign exchange risk (currency swings).	<b>Proactive Management-</b> The Company ensures each of the potential risks are monitored thoroughly. A dedicated pool of experts regularly gauges the Company's financial health and take proactive steps in case of any discrepancies
<b>Regulatory Changes (Environmental, Trade):</b> Evolving environmental regulations or changes in trade policies, particularly concerning stainless steel imports and exports, can disrupt operations. Failure to adhere to the regulations have the potential to tarnish the Company's image.	<b>Proactive Compliance and Advocacy:</b> The Company maintains a proactive approach to regulatory compliance, investing in eco-friendly technologies and participating in industry advocacy efforts to address potential trade barriers.
<b>Technological Disruption:</b> With advancements in manufacturing techniques or the emergence of alternative materials, existing processes or products obsolete. If the Company is not able to remain abreast with the latest technological advancements, it is likely to lose competitive advantage.	<b>Continuous Innovation:</b> The Company's dedicated in-house research and development facility focuses on staying at the forefront of technological advancements, continuously refining product designs and manufacturing processes.
<b>Competition (Domestic and International):</b> Intense competition from established players and new entrants can put pressure on pricing and impact the Company's market share.	<b>Focus on Quality and Differentiation:</b> The Company maintains stringent quality standards, focusing on product differentiation through customisation and value-added services. This enables the Company to foster strong, long-term relationships with its customers.
<b>Operational Risks:</b> Production downtime due to equipment malfunctions or disruptions in the supply chain can impact delivery schedules and affect customer satisfaction.	<b>Preventive Maintenance and Supplier Diversification:</b> The Company implements robust preventive maintenance programmes and has developed contingency plans to address potential supply chain disruptions. The Company also establishes healthy relationships with multiple suppliers to ensure a reliable supply of raw materials.

### Internal Control Systems and Their Adequacy

The Company's internal control framework is designed to safeguard assets, maintain accurate accounting records, and ensure the reliability of financial information and data. This framework is supplemented by internal audits, management reviews, and documented policies and procedures. The Company has a well-defined organisational structure, clear authority levels, and established internal rules and guidelines for conducting business transactions. The Company remains committed to implementing further measures as necessary to adhere to all applicable procedures, guidelines, and regulations in a transparent manner.

The internal audit department conducts periodic reviews of the Company's operations, reporting its findings to the audit committee. This process includes evaluating the functionality and quality of internal controls, providing assurance of their adequacy and effectiveness. Internal audits are carried out as per a risk-based plan, which is reviewed by the audit committee. The committee regularly assesses the findings and recommendations for improvement, and is kept informed of the implementation status of actionable items.

### Human Resources

The Company acknowledges its employees as its most valuable asset and undertakes several initiatives to promote their overall well-being. The Company's human resource strategy invests in comprehensive training, promotes professional development and provides a holistic environment for the development of its employees.

RPEL believes that human potential knows no bound and that optimising the workforce potential will bolster the Company's growth. This commitment is reflected in a

positive employee-management relationship. As of March 31, 2024, the Company employed [ ] individuals.

The safety of the employees holds paramount importance for the Company. RPEL maintains standard safety protocols and provides regular safety trainings to ensure optimum safety.

Through comprehensive HR policies, the Company has cultivated an inclusive work environment that prioritise an employee's both personal and professional development. RPEL has nurtured a skilled and adaptable workforce that contributes significantly to the Company's operational success.

### Information Technology

RPEL recognises the critical role of information technology (IT) in driving the Company towards new heights of success. The Company has invested in a robust IT infrastructure to streamline its business operations. This technology-driven approach enables RPEL to enhance efficiency, optimise resource allocation and improve decision-making, propelling the Company's growth and outperforming its peers.

### Cautionary Statement

Some of the statements in this management discussion and analysis describing the Company's objectives, projections, estimates and expectations may be 'forward-looking statements' within the meaning of applicable laws and regulations. Actual results might differ substantially or materially from those expressed or implied. Key factors that can affect the Company's operations include changes in political and economic environment in India and abroad, tax laws, import duties, litigation, and labour relations.

# Board's Report

To,  
The Members

The Directors are pleased to present the 22<sup>nd</sup> Annual Report of Ratnaveer Precision Engineering Limited ("the Company") together with Audited Financial Statements of the Company for the Financial Year("FY") ended March 31, 2024.

## Annexure “B” to the Board’s Report

### ADDITIONAL INFORMATION AS REQUIRED UNDER SUB-SECTION 3 (M) OF SECTION 134 OF THE ACT AND RULE 8 OF THE COMPANIES (ACCOUNTS) RULES, 2014

#### (A) Conservation of energy:

##### 1. Steps taken or impact on conservation of energy:-

Energy conservation dictates how efficiently a company can conduct its operations. The Company has recognized the importance of energy conservation in decreasing the deleterious effects of global warming and climate change. The Company is undertaking such production process that results into very minor pollutant emissions. Various energy efficient practices have been implemented that have reduced the pollutant emissions and strengthened the Company’s commitment towards becoming an environment friendly organization.

##### 2. Steps taken by the Company for utilizing alternate sources of energy:-

The Company has already projected capex towards its own solar power projects with 4 MW capacity to utilise the energy generated through it as an alternate source of energy resource.

##### 3. The Capital investment on energy conservation equipments:

Company has projected Capex of ₹ 8.65 Crs towards first phase of capex for rooftop solar plant & ₹ 8 Crs towards second phase of capex for ground solar plant.

#### (B) Technology absorption:

##### 1. The efforts made towards technology absorption:-

Products and processes developed through in-house activities have been internally absorbed by the manufacturing units for commercialization.

##### 2. The benefits derived like product improvement, cost reduction, product development or import substitution:-

The efforts made by design and automation activities helped for the augmentation of company’s product range in targeted market segments leading the customer acquisition / retention, increased the competitiveness and customer satisfaction and helped to give an edge over other competitors.

##### 3. In case of imported technology (imported during the last three years reckoned from the beginning of the financial year):-Not Applicable

##### 4. Expenditure incurred on Research and Development:-

The Company is inhouse manufacturing various dies & tools. Apart from this, the Company is adding various high value added products in existing product portfolio leading to increase in R&D activities

#### (C) Foreign exchange earnings and Outgo

PARTICULARS	Amt (In ₹)
Foreign Exchange earned	45,80,43,080
Foreign Exchange outgo	98,42,70,703

**3. COMMITTEES OF THE BOARD**

With a view to have more focused attention on business and for better governance and accountability, the Board has constituted various mandatory committees i.e. Audit Committee, Nomination and Remuneration committee, Corporate Social Responsibility and Stakeholder Relationship Committee. Minutes of proceedings of Committee Meetings are circulated to the Committee Members and placed before the Board Meetings for noting.

**AUDIT COMMITTEE****A) Terms of Reference**

The Company has an Audit Committee at the Board Level, with the powers and roles in accordance with the prevailing regulatory requirements. The Audit Committee acts a link between the Board of Directors, Auditors and the Management. The terms of reference of the Audit Committee are comprehensive and covers the matters specified for Audit Committee under the SEBI Listing Regulations, 2015 and the Companies Act, 2013. The Committee provides the Board with additional assurance as to the adequacy of Company's internal control systems and financial disclosures. The committee has reviewed the internal audit reports, quarterly, half-yearly and annual standalone and consolidated financial results before their submission and adoption by the board, internal control systems, Related Party Transactions and all other matters covered under SEBI Listing Regulations, 2015 and provisions of the Companies Act, 2013 read with rules made thereunder as and when applicable. In conducting such reviews, the committee found no material discrepancy.

The terms of reference of the Committee are in accordance with Regulation 18 of the SEBI Listing Regulations and Section 177 of the Companies Act, 2013 and major terms of reference, inter alia, includes the following:

1. Oversight of financial reporting process and the disclosure of financial information relating to Ratnaveer Precision Engineering Limited (the "Company") to ensure that the financial statements are correct, sufficient and credible;
2. Recommendation for appointment, reappointment, replacement, remuneration and terms of appointment of Auditors of the Company and the fixation of the audit fee;
3. Approval of payment to statutory auditors for any other services rendered by the statutory auditors;
4. Formulation of a policy on related party transactions, which shall include materiality of related party transactions;
5. Reviewing, at least on a quarterly basis, the details of related party transactions entered into by the Company pursuant to each of the omnibus approvals given;
6. Examining and reviewing, with the management, the annual financial statements and auditor's report thereon before submission to the Board for approval, with particular reference to:
  - a. Matters required to be included in the director's responsibility statement to be included in the Board's report in terms of clause (c) of sub-section 3 of section 134 of the Companies Act, 2013;
  - b. Changes, if any, in accounting policies and practices and reasons for the same;
  - c. Major accounting entries involving estimates based on the exercise of judgment by management;
  - d. Significant adjustments made in the financial statements arising out of audit findings;
  - e. Compliance with listing and other legal requirements relating to financial statements;
  - f. Disclosure of any related party transactions; and
  - g. Modified opinion(s) in the draft audit report.
7. Reviewing, with the management, the quarterly, half-yearly and annual financial statements before submission to the Board for approval;
8. Reviewing, with the management, the statement of uses / application of funds raised through an issue (public issue, rights issue, preferential issue, etc.), the statement of funds utilized for purposes other than those stated in the Offer document / prospectus / notice and the report submitted by the monitoring agency monitoring the utilisation of proceeds of a public or rights issue, and making appropriate recommendations to the board of directors of the Company (the "Board" or "Board of Directors") to take up steps in this matter;
9. Reviewing and monitoring the auditor's independence and performance, and effectiveness of audit process;
10. Approval of any subsequent modification of transactions of the Company with related parties and omnibus approval for related party transactions proposed to be entered into by the Company, subject to the conditions as may be prescribed;
11. Scrutiny of inter-corporate loans and investments;
12. Valuation of undertakings or assets of the Company, wherever it is necessary;
13. Evaluation of internal financial controls and risk management systems;
14. Reviewing, with the management, performance of statutory and internal auditors, adequacy of the internal control systems;
15. Reviewing the adequacy of internal audit function, if any, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit;
16. Discussion with internal auditors of any significant findings and follow up there on;
17. Reviewing the findings of any internal investigations by the internal auditors into matters where there is suspected fraud or irregularity or a failure of internal control systems of a material nature and reporting the matter to the Board;
18. Discussion with statutory auditors before the audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern;
19. Recommending to the Board of Directors the appointment and removal of the external auditor, fixation of audit fees and approval for payment for any other services;

20. Looking into the reasons for substantial defaults in the payment to depositors, debenture holders, shareholders (in case of non-payment of declared dividends) and creditors;
21. Reviewing the functioning of the whistle blower mechanism;
22. Monitoring the end use of funds raised through public offers and related matters;
23. Overseeing the vigil mechanism established by the Company, with the chairman of the Audit Committee directly hearing grievances of victimization of employees and directors, who used vigil mechanism to report genuine concerns in appropriate and exceptional cases;
24. Approval of appointment of chief financial officer i.e., the whole-time finance Director or any other person heading the finance function or discharging that function after assessing the qualifications, experience and background, etc. of the candidate;
25. Consider and comment on rationale, cost-benefits and impact of schemes involving merger, demerger, amalgamation etc., on the listed entity and its shareholders.
26. Carrying out any other functions required to be carried out by the Audit Committee as contained in the SEBI Listing Regulations or any other applicable law, as and when amended from time to time.

## B) Composition

The Audit Committee consists of three Directors out of which, two are Independent Directors. All members of the Audit Committee are financially literate and specialized in accounting and financial management. The constitution of Audit Committee meets the requirements prescribed under section 177 of the Act and listing Regulations.

Terms of reference of the Committee, inter alia, includes the following:

1. Formulation of the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board of Directors a policy relating to the remuneration of the directors, key managerial personnel and other employees ("Remuneration Policy").

The Nomination and Remuneration Committee, while formulating the above policy, should ensure that:

- i. the level and composition of remuneration be reasonable and sufficient to attract, retain and motivate directors of the quality required to run the Company successfully;
- ii. relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- iii. remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short- and long-term performance objectives appropriate to the working of the Company and its goals.

- (1A). For every appointment of an independent director, the Nomination and Remuneration Committee shall evaluate the balance of skills, knowledge and experience on the Board and on the basis of such evaluation, prepare a description of the role and capabilities required of an independent director. The person recommended to the Board for appointment as an independent director shall have the capabilities identified in such description. For the

purpose of identifying suitable candidates, the Committee may:

- a. use the services of an external agencies, if required;
- b. consider candidates from a wide range of backgrounds, having due regard to diversity; and
- c. consider the time commitments of the candidates.

2. Formulation of criteria for evaluation of independent directors and the Board;
3. Devising a policy on Board diversity;
4. Identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and recommend to the Board their appointment and removal and carrying out evaluation of every director's performance (including independent director);
5. Analyzing, monitoring and reviewing various human resource and compensation matters;
6. Deciding whether to extend or continue the term of appointment of the independent director, on the basis of the report of performance evaluation of independent directors;
7. Determining the Company's policy on specific remuneration packages for executive directors including pension rights and any compensation payment, and determining remuneration packages of such directors;
8. Recommending to the board, all remuneration, in whatever form, payable to senior management and other staff, as deemed necessary;
9. Carrying out any other functions required to be carried out by the Nomination and Remuneration Committee as contained in the SEBI Listing Regulations or any other applicable law, as and when amended from time to time;
10. Reviewing and approving the Company's compensation strategy from time to time in the context of the then current Indian market in accordance with applicable laws;
11. Perform such functions as are required to be performed by the compensation committee under the Securities and Exchange Board

- of India (Share Based Employee Benefits) Regulations, 2014, if applicable;
12. Frame suitable policies, procedures and systems to ensure that there is no violation of securities laws, as amended from time to time, including:
    - a. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; and
    - b. The Securities and Exchange Board of India (Prohibition of Fraudulent and Unfair Trade Practices Relating to the Securities Market) Regulations, 2003, by the trust, the Company and its employees, as applicable.
  13. Perform such other activities as may be delegated by the Board or specified/ provided under the Companies Act, 2013 to the extent notified and effective, as amended or by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended or by any other applicable law or regulatory authority.

## CEO / CFO CERTIFICATION

We, the undersigned, in our respective capacities as Managing Director cum Chief Financial Officer of Ratnaveer Precision Engineering Limited ("the Company"), to the best of our knowledge and belief, certify that:

a. We have reviewed the Financial Statements and Cash Flow Statements for the financial year ended 31<sup>st</sup> March 2024 and that to the best of our knowledge and belief, we state that:

- i. these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
- ii. these statements together present a true and fair view of the Company's affairs and are in compliance with the existing accounting standards, applicable laws and regulations;

b. We further state that to the best of our knowledge and belief, no transactions, which are entered into by the Company during the year, are fraudulent, illegal or violative of the Company's Code of Business Conduct and Ethics;

c. We are responsible for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of the internal control systems of the Company and have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of the internal control, if any,

of which we are aware and the steps we have taken or proposed to take to rectify these deficiencies.

d. We have indicated to the Auditors and the Audit Committee that there are:

- i. no significant changes in internal controls over financial reporting during the year;
- ii. no significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statements; and
- iii. no instances of significant fraud of which we have become aware and the involvement therein of the management or an employee having a significant role in the Company's internal control system over the financial reporting.

## FORM NO. MR - 3

### SECRETARIAL AUDIT REPORT

#### FOR THE FINANCIAL YEAR ENDED ON 31 MARCH 2024

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,  
The Members,  
**Ratnaveer Precision Engineering Limited**  
CIN: - L27108GJ2002PLC040488  
E- 77, G I D C, Savli (Manjusar)  
Dist-Baroda, Gujarat, India, 391775.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Ratnaveer Precision Engineering Limited** (CIN: L27108GJ2002PLC040488) (hereinafter called "**The Company**"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the **Financial Year ended on 31 March 2024** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March 2024 according to the provisions of;

- (i) The Companies Act, 2013 ('the Act') and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): (including any statutory

modification(s) or re-enactment(s) thereof, for the time being in force):

- I. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- II. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- III. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- IV. The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; - **Not applicable to the Company during the period under review;**
- V. The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;- **Not applicable to the Company during the period under review;**
- VI. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- VII. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; - **Not applicable to the Company during the period under review and**
- VIII. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;- **Not applicable to the Company during the period under review.**
- (vi) Other applicable laws: Based on the information provided and the representation made by the Company and its officers and also on the review of the compliance reports taken on record by the Board of Directors of the Company, in our opinion, adequate systems and processes exist in the Company to

monitor and ensure compliances under other applicable Acts, Laws and Regulations as applicable to the Company.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

**We further report that:**

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors (including Woman Independent Director). The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance except some meetings were held at shorter notice and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions at the Board Meetings were taken unanimously.

**We further report that** there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines, etc.

**We further report that** during the audit period there were no event occurred which had bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc.

1. During the Audit period under review, the Company has come out with an Initial Public Offer ("IPO") cum Offer For Sale ("OFS") and the shares of the Company are listed on BSE Limited ("BSE") and National Stock Exchange ("NSE") on 11<sup>th</sup> September 2023.
2. The Company has taken approval from members by way of special resolution for borrowing of Money, apart from temporary loans obtained from the company's bankers in the ordinary course of business, in excess of the paid up share capital and Free Reserves of the Company subject to maximum of ₹ 500 Crores at any point of time and to create mortgages, Charges and hypothecation on the properties of the Company up to limit Borrowing of ₹ 500 Crores.

# Independent Auditor's Report

To  
 The Members of  
**Ratnaveer Precision Engineering Limited**

## Report on the Audit of the Standalone IND AS Financial Statements

### Opinion

We have audited the accompanying standalone INDAS financial statements of **Ratnaveer Precision Engineering Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its profit, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SA's) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone IND AS financial statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone INDAS financial statements and our auditor's report thereon.

Our opinion on the standalone INDAS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone INDAS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Standalone IND AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone INDAS financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the IND AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate

accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone INDAS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone INDAS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone IND AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone IND AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone IND AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone IND AS financial statements, including the disclosures, and whether the standalone IND AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the standalone Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone Ind AS Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our works; and (ii) to evaluate the effect of any identified misstatements in the standalone Ind AS Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

- From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind

AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstance, we determine that a matter should not be communicate in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
  - c. The standalone Balance Sheet, the standalone Statement of Profit and Loss including Other Comprehensive Income, standalone Statement of Changes in Equity and the standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - d. In our opinion, the aforesaid standalone financial statements comply with the IND AS specified under Section 133 of the Act.
  - e. On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
  - f. The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(A) (b) above on reporting under Section 143(3) (b) of the Act and Paragraph 2(B)(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

- g. With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(6) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in the standalone Ind AS Financial Statements (Refer Note No 35 to the Standalone Ind AS Financial Statements.)
  - ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not declared and paid any Interim dividend nor has proposed any final dividend during the previous year and hence the question of Compliance and applicability of Section 123 of the Companies Act does not arise.
- vi. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1 April 2023. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account, which have a feature of recording audit trail (edit log) facility. We hereby confirm that the audit trail (edit log) is enabled as on the reporting date, but we are not able to express an opinion on whether the edit log facility has been operated throughout the year or not. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

## Annexure 'A' to the Independent Auditor's Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **Ratnaveer Precision Engineering Limited** of even date)

With reference to the Annexure A, referred to in the Independent Auditors Report to the members of the Company on the Standalone IND AS financial statements for the year ended on 31<sup>st</sup> March 2024, we report following:

### 1. In respect of its Property, Plant and Equipment and Intangible Assets:

- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us, the property, plant and equipment are physically verified in a phased manner by the management during the year, which, in our opinion is reasonable having regard to the size of the Company and nature of its assets. No material discrepancies were noticed on such verification.
- (c) The title deeds of immovable properties are held in the name of the company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued any of its Property, Plant and Equipment during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

### 2. In respect of its Inventories:

- (a) As explained to us, the inventories have been physically verified by the management at reasonable intervals during the year. In our opinion the frequency of verification is reasonable and the coverage and procedure of such verification by the management is appropriate. As explained to us, there were no discrepancies of 10% or more in aggregate for each class on physical verification of inventory as compared to the book records.

- (b) The Company has been sanctioned working capital limits (including fund based and non-fund-based limits) in excess of ₹ 5 crores in aggregate from banks on the basis of security of the current assets. Quarterly returns or statements filed by the company with such banks are in agreement with the books of accounts of the company.

### 3. According to the information and explanations given to us, during the year, the company has not made any investment in, provided guarantee or any security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firm, limited liability partnership or any other parties:

- (a) The Company does not have any Subsidiary, Associate or joint venture. Hence, reporting under clause 3(iii)(a) is not applicable.
- (b) In our opinion and according to the information and explanations given to us, the company has not granted any loans or advances in the nature of loans. Hence, reporting under para 3(iii)(c) to 3(iii)(f) is not applicable.

### 4. In our opinion and according to the information and explanation given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of guarantees and securities provided by it.

### 5. The Company has not accepted any deemed deposits from the public during the year under review. Accordingly, clause 3(v) of the Order is not applicable.

### 6. We have broadly reviewed the books of accounts maintained by the company in respect of products where pursuant to the rules made by the Central Government of India, the maintenance of Cost records has been prescribed under sub section (1) of section 148 of Companies Act, 2013, we are of the opinion that prima facie, the prescribed accounts & records have been maintained. We have however, not made a detailed examination of the records with a view to determine whether they are accurate or complete.

### 7. In respect of Statutory Dues:

- (a) The company does not have liability in respect of Service Tax, Duty of excise, Sales tax and value added tax during the year since effective 1<sup>st</sup> July 2017, these statutory dues has been subsumed in to Goods & Service Tax.

According to the information and explanations given to us and on the basis of our examination

of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, ESIC, income-tax, duty of customs, Goods & Service Tax, cess and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, ESIC, income tax, duty of customs, Goods & Service Tax, cess and other material statutory dues were in arrears as at 31<sup>st</sup> March 2024 for a period of more than six months from the date it became payable.

- (b) According to the information and explanations given to us, there are no material dues of Income tax & Goods and service tax, which have not been deposited with the appropriate authorities on account of any disputed with the appropriate authorities on account of dispute, other than those as mentioned under:

Statue	Nature of the Dues	Financial Year to which the matter relates	Forum where the matter is pending	Amount ( in Rs in lakhs) (Net of payment)

<b>CESTAT</b>				
a)	Customs	2019-20	Tribunal	153.55
b)	Customs	2019-20	Tribunal	16.93

8. According to the information and explanations given to us and on the basis of our examination of the records of the Company, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
9. (a) According to information & explanations given to us, the company has not defaulted in repayment of loans or borrowings or in the payment of interest to Banks & Financial Institutions.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations given to us by the management, term loans obtained during the year by the company have been applied for the purposes for which they were obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on overall examination of the records of the company, The Company does not have any Subsidiary, associate or joint venture. Hence, reporting under clause 3(ix)(e) is not applicable.
- (f) According to the information and explanations given to us and on overall examination of the records of the company, The Company does not have any Subsidiary, associate or joint venture. Hence, reporting under clause 3(ix)(f) is not applicable.

10. (a) In our opinion and according to the information and explanations given to us, Company has utilized the moneys raised by way of initial public offer/further public offer (including debt instruments) for the purposes for which they were raised, except for the following cases:

Nature of fund raised	Purpose for which funds were raised	Total amount raised/opening utilized/balance	Amount utilized for other purpose	Unutilized balance as at balance sheet date	Details of default (reason/delay)	Subsequently rectified
Nil						

- b) Based upon the audit procedures performed and the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of clause 3 (xiv) of the Order are not applicable to the Company and hence not commented upon.
11. (a) According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (b) According to the information and explanations given to us, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) As represented by the management, there are no whistle blower complaints received by the company during the year.
12. In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order are not applicable to the Company.
13. In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Ind AS Financial Statements as required by the applicable Ind AS.
14. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
15. Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.
16. (a) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company and hence not commented upon.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
17. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
18. There has been no resignation of the statutory auditors of the Company during the year and accordingly this clause is not applicable and hence not commented upon.
19. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- 20.** (a) According to the information and explanations give to us, the company is required to spent amount u/s 135 of the Act and hence, paragraph 3(xx) of the order is applicable. Details are as below.

Particulars	As on March 2024
Amount required to be spent by the Company during the year	3.61
Amount spent by the company during the year	3.70

- 21.** As the company does not have any subsidiary, associate or Joint venture, clause (xxi) is not applicable to the company, hence not commented upon.

## **Annexure ‘B’ to the Independent Auditor’s Report Of even date on the Financial Statements of Ratnaveer Precision Engineering Limited**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Ratnaveer Precision Engineering Limited** (“the Company”) as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply

with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial control system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made

only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# Notes forming part of Standalone Financial Statement

for the year ended March 31, 2024

## 1. Company Information

Ratnaveer Precision Engineering Limited (the 'Company') is a public limited Company and domiciled in India and is incorporated under the provisions of the Companies Act with its registered office located at E-77, GIDC Savli (Manjusar), Baroda - 391775. The company is engaged in the manufacturing and selling of diverse range of SS products with its manufacturing facilities located in Baroda and Ahmedabad State of Gujarat.

The Board of Directors approved the standalone financial statements for the year ended March 31, 2024.

## 2. Basis of Preparation and Presentation

### 2.1 Statement of Compliance

(i) Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013

Accordingly, the Company has prepared these Financial Statements are consistent with those followed in the preparation of the Company's annual financial statement for the year ended March 31, 2024.

### (ii) Basis of Preparation and Presentation

#### Basis of preparation of financial statements

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and guidelines. The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

### (iii) Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification.

An asset is treated as Current when it is :-

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:-

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

### (iv) Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

### 2.2 Functional and Presentation Currency

Indian rupee is the functional and presentation currency.

### 2.3 Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest millions as per the requirement of Schedule III, unless otherwise stated.

# Notes forming part of Standalone Financial Statement

for the year ended March 31, 2024

## 3. Material Accounting Policies

### 3.1 Revenue Recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods or services. The Company is generally the principal as it typically controls the goods or services before transferring them to the customer.

**3.1.1** Revenue is generated primarily from sale of S. S. Products. Revenue is recognised at the point in time when the performance obligation is satisfied and control of the goods is transferred to the customer in accordance with the terms of customer contracts. In case of domestic customers, generally revenue recognition take place when goods are dispatched and in case of export customers when goods are shipped onboard based on bill of landing as per the terms of contract. Revenue is measured based on the transaction price, which is the consideration, adjusted for trade discounts, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

A contract liability is the obligation to transfer goods to the customer for which the Company has received consideration from the customer. Contract liabilities are recognised as revenue when the Company performs under the contract.

#### 3.1.2 Sale of Services

Revenue is recognized from rendering of services when the performance obligation is satisfied and the services are rendered in accordance with the terms of customer contracts. Revenue is measured based on the transaction price, which is the consideration, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

A contract liability is the obligation to render services to the customer for which the Company has received consideration from the customer. Contract liabilities are recognised as revenue when the Company performs under the contract.

#### 3.1.3 Export Incentive

Export incentives are accounted on accrual basis at the time of export of goods, if the entitlement can be estimated with reasonable accuracy and conditions precedent to claim are fulfilled.

### 3.1.4 Other Income

#### (a) Interest Income

Interest income is recognized using effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through expected life of the financial asset to the gross carrying amount of the financial asset. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

#### (b) Dividend income

Dividend are recognised in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

#### (c) Gain or loss on derecognition of Financial Assets

Gain or Loss on derecognition of financial asset is determined as the difference between the sale price (net of selling costs) and carrying value of financial asset.

#### (d) All other Incomes are recognised and accounted for on accrual basis

### 3.2 Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

The cost comprises the purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

# Notes forming part of Standalone Financial Statement

for the year ended March 31, 2024

All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

For transition to Ind AS, the carrying value of Property Plant and Equipment under previous GAAP as on 1<sup>st</sup> April, 2020 is regarded as its cost. The carrying value was original cost less accumulated depreciation and cumulative impairment.

Property, Plant and Equipment not ready for the intended use on the date of the Balance Sheet are disclosed as "Capital work-in-progress".

Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset at the time of disposal and are recognized in the statement of profit and loss when the asset is derecognized.

Depreciation on Tangible Assets is calculated on written down value method basis using the ratio arrived as per the useful life prescribed under Schedule II to the Companies Act, 2013.

Block of Assets	Useful Life (Years)
Buildings	30 - 60
Plant & Machinery	15
Furniture and Fixtures	10
Office Equipment's	5
Vehicles	8 - 10
Office Equipment's	5

In respect of Property, Plant and Equipment purchased during the year, depreciation is provided on a pro-rata basis from the date on which such asset is ready to use.

The residual value, useful live and method of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

## Intangible Assets

Expenditure on research is recognized as an expense when it is incurred. Expenditure on development which does not meet the criteria for recognition as an intangible asset is recognized as an expense when it is incurred. Costs incurred on individual development projects are recognized as intangible assets from the date when it meets the criteria of the Intangible Assets.

Intangible Assets are amortized over a period of five years as per straight line method.

## 3.3 Financial Instruments

### 3.3.1 Initial recognition

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument.

All financial assets and liabilities are recognized at fair value on initial recognition.

Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are added to or deducted from the fair value of financial assets or financial liabilities on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

Regular way purchase and sale of financial assets are accounted for at trade date.

### 3.3.2 Subsequent Measurement

#### (a) Non-derivative financial instruments

##### (i) Financial assets measured at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### (ii) Financial assets measured at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### (iii) Financial assets measured at fair value through profit or loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL. Financial assets are reclassified subsequent to their recognition, if the

# Notes forming part of Standalone Financial Statement

for the year ended March 31, 2024

Company changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109 – Financial Instruments.

## (iv) Financial liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Interest bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortized cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings in the statement of profit and loss.

## (b) Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Incremental costs directly attributable to the issuance of equity instruments are recognized as a deduction from equity instrument net of any tax effects.

## (c) Derivative financial instruments and hedge accounting

In the ordinary course of business, the Company uses certain derivative financial instruments to reduce business risks which arise from its exposure to foreign exchange and interest rate fluctuations. The instruments are confined principally to forward foreign exchange contracts, cross currency swaps, interest rate swaps and collars. The instruments are employed as hedges of transactions included in the financial statements or for highly probable forecast transactions/firm contractual commitments. These derivatives contracts do not generally extend beyond six months. Except for certain currency swaps and interest rate derivatives.

Derivatives are initially accounted for and measured at fair value on the date the derivative contract is entered into and are subsequently remeasured to their fair value at the end of each reporting period through profit and Loss Statement.

## Effective Interest rate method

The effective interest method is a method of calculating the amortized cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

## 3.3.3 De-recognition

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability is derecognized when obligation specified in the contract is discharged or cancelled or expires.

## 3.3.4 Off-setting

Financial assets and liabilities are offset and the net amount is presented in the balance sheet when the company currently has a legally enforceable right to offset the recognized amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

## 3.4 Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefit by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

# Notes forming part of Standalone Financial Statement

for the year ended March 31, 2024

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy. The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

**Level 1** - inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities

**Level 2** - inputs are other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived prices)

**Level 3** - inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

## 3.5 Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate, adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

### 3.5.1 Current Tax

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions, wherever appropriate, on the basis of amounts expected to be paid to the tax authorities.

Current tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized in Other Comprehensive Income or directly in equity. In this case, the tax is also recognized in Other Comprehensive Income or directly in equity, respectively.

Current tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Current tax assets and current tax liabilities are offset, where company has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

### 3.5.2 Deferred Tax

Deferred tax is recognized in profit or loss, except when it relates to items that are recognized in other comprehensive income or directly in equity, in which case, the deferred tax is also recognized in other comprehensive income or directly in equity, respectively.

Deferred tax liabilities are recognized for all taxable temporary differences, except to the extent that the deferred tax liability arises from initial recognition of goodwill; or initial recognition of an asset or liability in a transaction which is not a business combination and at the time of transaction, affects neither accounting profit nor taxable profit or loss.

Deferred tax assets are recognized for all deductible temporary differences, carry forward of unused tax losses and carry forward of unused tax credits to the extent that it is probable that taxable profit will be available against which those temporary differences, losses and tax credit can be utilized, except when deferred tax asset on deductible temporary differences arise from the initial recognition of an asset or liability in a transaction that is not a business combination and at the time of the transaction, affects neither accounting profit nor taxable profit or loss.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the tax rules and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset, where company has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

# Notes forming part of Standalone Financial Statement

for the year ended March 31, 2024

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

## 3.6 Impairment

### 3.6.1 Financial assets

The Company recognizes loss allowances for expected credit losses on financial assets measured at amortized cost.

At each reporting date, the Company assesses whether financial assets carried at amortized cost is credit impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Loss allowances for trade receivables are always measured at an amount equal to lifetime expected credit losses. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Under the simplified approach, the Company is not required to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime expected credit losses together with appropriate management estimates for credit loss at each reporting date, right from its initial recognition.

The Company uses a provision matrix to determine impairment loss allowance on the group of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

### 3.6.2 Financial assets - investment in subsidiary and associates

The company assesses at each reporting date whether there is an indication that an asset may be impaired. Such indication include, though are not limited to, significant or sustained decline in revenues or earnings and material adverse changes in the economic environment.

If any indication exists, the company estimates the asset's recoverable amount based on value in use.

To calculate value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market rates and the risk specific to the asset

Where the carrying amount of an asset exceeds its value in use amount, the asset is considered impaired and is written down to its recoverable amount. The impairment loss is recognized in statement of profit and loss.

### 3.6.3 Non financial assets

The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists the company estimates the asset's recoverable amount.

An asset's recoverable amount is the higher of an assets net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The impairment loss is recognized in the statement of profit and loss.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

## 3.7 Borrowing Costs

Borrowing cost includes interest and other costs that company has incurred in connection with the borrowing of funds.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

Investment income earned on temporary investment of specific borrowing pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

# Notes forming part of Standalone Financial Statement

for the year ended March 31, 2024

## 3.8 Employee Benefits

Short term employee benefits for salary and wages including accumulated leave that are expected to be settled wholly within 12 months after the end of the reporting period in which employees render the related service are recognized as an expense in the statement of profit and loss.

The company measures the expected cost of absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. As per Company's policy, no leave is expected to be carried forward beyond 12 months from the reporting date.

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service.

The company operates one defined benefit plan for its employees, viz., gratuity plan. The costs of providing benefits under the plan are determined on the basis of actuarial valuation at each year-end. Actuarial valuation is carried out using the projected unit credit method made at the end of each reporting date. Re-measurement of the net defined benefit liability (asset) comprise of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability (asset) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability / (asset)). Re-measurement are recognized in other comprehensive income and will not be reclassified to profit or loss in a subsequent period.

## 3.9 Provisions

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

## 3.10 Contingent Liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

## 3.11 Contingent Asset

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company. Contingent assets are neither recognised nor disclosed in the financial statements.

## 3.12 Foreign Currency

### (a) Initial recognition

Foreign currency transactions are recorded in the functional currency, by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

### (b) Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

### (c) Exchange difference

All exchange differences are recognized as income or as expenses in the year in which they arise.

# Notes forming part of Standalone Financial Statement

for the year ended March 31, 2024

## 3.13 Cash and cash equivalent

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank (including demand deposits) and in hand and short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

## 3.14 Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

## 3.15 Inventories

Items of inventory are valued at cost or net realizable value, whichever is lower. Cost for raw materials, traded goods and stores and spares is determined on FIFO basis. Cost includes all charges in bringing the goods to their present location and condition. Net realizable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to make the sale.

## 3.16 Lease

### (i) As a lessee

The Company assesses whether a contract, is, or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- the contract involves the use of an identified asset;
- the Company has substantially all of the economic benefits from use of the asset throughout the period of the lease and
- the Company has the right to direct the use of the asset.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

### (ii) As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

## 3.17 Segment Reporting

An operating segment is component of the company that engages in the business activity from which the company earns revenues and incurs expenses, for which discrete financial information is available and whose operating results are regularly reviewed by the chief operating decision maker, in deciding about resources to be allocated to the segment and assess its performance. The company's chief operating decision maker is the managing Director.

Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as un-allocable.

Revenue and expenses directly attributable to segments are reported under each reportable segment. All other expenses which are not attributable or allocable to segments have been disclosed as un-allocable expenses.

The company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the company as a whole.

## 3.18 Cash Flow Statement

Cash flows are reported using indirect method whereby profit for the period is adjusted for the effects of the transactions of non-cash nature, any deferrals

# Notes forming part of Standalone Financial Statement

for the year ended March 31, 2024

or accruals of past or future operating cash receipts and payments and items of income or expenses associated with investing and financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

## 3.19 Events after reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

## 4 Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions.

These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements are:

Useful lives of Property, plant and equipment

- Valuation of financial instruments
- Provisions and contingencies
- Income tax and deferred tax
- Measurement of defined employee benefit obligations
- Export Incentive
- Provision for Loss Allowance using Expected Credit Loss Model in respect of Trade Receivables

- (i) It is not practical for the company to estimate the timing of cash outflows, if any, in respect of the above pending resolution of the respective proceedings as it is determinable only on receipt of judgments/decisions pending with various forums/authorities.
- (ii) The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed as contingent liabilities applicable, in its financial statements. The company does not expect the outcomes of these proceedings to have materially adverse affect on its financial results.

## 36 Capital Management

The Company's capital management is intended to create value for shareholders by facilitating the achievement of long-term and short-term goals of the Company.

The Company determines the amount of capital required on the basis of annual business plan coupled with long-term and short-term strategic investment and expansion plans. The funding needs are met through equity, cash generated from operations, long-term and short-term bank borrowings.

The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

Net debt includes interest bearing borrowings including lease obligations less cash and cash equivalents, other bank balances.

The table below summarises the capital, net debt and net debt to equity ratio of the Company.

**37.3** The company is responsible for the governance of the plan.

### 37.4 Risk to the Plan

Gratuity is a defined benefit plan and entity is exposed to the Following Risks:

#### A Interest rate risk:

A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

#### B Salary Risk:

The present value of the defined benefit plan liability is calculated by reference to the future salaries of member. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

# Notes forming part of Standalone Financial Statement

for the year ended March 31, 2024

## C Investment Risk:

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

## D Asset Liability Matching Risk:

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

## E Mortality risk:

Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

## F Concentration Risk:

Plan is having a concentration risk as all the assets are invested with the insurance company.

### 37.5 Reconciliation of defined benefit obligations

(₹ in Million)

Particulars	2023-24	2022-23
Defined benefit obligations as at beginning of the year	3.11	2.12

## 38 Financial Risk Management

The company's activities expose it to variety of financial risks : market risk, credit risk and liquidity risk. The company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established a risk management policy to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Board of Directors oversee compliance with the Company's risk management policies and procedures, and reviews the risk management framework.

### A Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises interest rate risk and currency risk.

#### i Interest Rate Risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Interest risk arises to the Company mainly from borrowings with variable rates. The Company measures risk through sensitivity analysis. The banks are now finance at variable rate only, which is the inherent business risk.

The Company's exposure to interest rate risk is as follows:

(₹ in Million)		
Particulars	Mar. 31, 2024	Mar. 31, 2023
<b>Liability</b>		
Term Loans	74.44	232.99
Working Capital Loan - from Banks (Including Interest Accrued thereon)	595.12	627.90
	<b>669.56</b>	<b>860.89</b>

(₹ in Million)		
Particulars	Impact on Profit and Loss after Tax	
	Mar. 31, 2024	Mar. 31, 2023
Interest Rate increase by 0.50 basis point	2.51	3.22
Interest Rate decrease by 0.50 basis point	(2.51)	(3.22)

#### ii Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is exposed to foreign exchange risk through its sales and purchases from overseas suppliers in foreign currencies. The company measures risk through sensitivity analysis.

The Company's exposure to Foreign Currency Risk is as follows:

(₹ in Million)			
Particulars	Currency	Mar. 31, 2024	Mar. 31, 2023
<b>Financial Assets</b>			
Trade Receivables	USD	0.18	0.21
	EURO	0.1	0.18
	INR		-
<b>Financial Liabilities</b>			
Trade Creditors	USD	-	-

## Sensitivity Analysis

(₹ in Million)

Particulars	Impact on profit / loss before tax	
	Mar. 31, 2024	Mar. 31, 2023
INR / USD rate changes favourably by 2%	0.31	0.34
INR / USD rate changes unfavourably by 2%	(0.31)	(0.34)
INR / EURO rate changes favourably by 2%	0.18	0.33
INR / EURO rate changes unfavourably by 2%	(0.18)	(0.33)

## B Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial assets.

The company's principal source of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company closely monitors its liquidity position and is attempting to enhance its sources of funding by increasing cash flow generated from its operations and realisations from other proposed measures. The Company measures risk by forecasting cash flows.

The following are the contractual maturities of financial liabilities.

(₹ in Million)

As at Mar. 31, 2024	Carrying Amount	upto 1 year	1 - 2 years	2 - 5 years	> 5 years
Borrowings	118.61	33.65	10.53	74.43	-

Other Financial Liabilities	-	-	-	-	-
<b>Total</b>	<b>636.99</b>	<b>393.48</b>	<b>21.13</b>	<b>222.38</b>	<b>-</b>

## C Credit Risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. Credit risk encompasses both, the direct risk of default and the risk of deterioration of credit worthiness.

Credit risk arises primarily from financial assets such as trade receivables, cash and cash equivalent and other financial assets.

In respect of trade receivables, credit risk is being managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business. The Company ensures that sales of products are made to customers with appropriate creditworthiness. All trade receivables are also reviewed and assessed for default on a regular basis.

Credit risk arising from cash and cash equivalent and other financial assets is limited due to sound receivable management of the Company.

The maximum exposure to the credit risk at the reporting date from trade receivables after the provision of Allowance for Credit Loss is as under:

## 40 Fair Value Measurement of Financial Asset and Financial Liabilities

The Fair value of current financial assets and current financial liabilities measured at amortised cost, are considered to be the same as their carrying amount as they are of short term nature. Hence fair value hierarchy is not given for the same.

The carrying amount of non - current financial assets and non - current financial liabilities measured at amortised cost are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

### Fair Value Hierarchy

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy. The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

**Level 1** – inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities

**Level 2** – inputs are other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived prices)

**Level 3** – inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

In the company, for maintenance of books of accounts and relevant transactions the audit trail is enabled as on the reporting date of the financial statement.

## 60 Research & Development

### Introduction:

Global competition encourages companies to seek for a more innovative way to survive. More and more complex R&D - based activities are introduced and the managerial approach is extremely important, while R&D by its nature requires special managerial attitude. The benefits include closing the gap between theory and technology.

### Problem Statement

In our Single cavity production process we are facing low productivity, higher process cost and low production end of the day. And also not able to meet customers delivery requirements.
